### **SAMPLE ONLY**

Welcome to 24 Days of Mormon Christmas! I started this program as a simple way to bring Christ as a focus into our lives throughout December. I truly believe as we make time for the Savior, we will be blessed in our families.

I urge you to use this program as you see fit for your family. Most families might not be able to do it all each night. The holidays are a busy time for all of us! Don't feel guilt, and don't feel the need to 'catch up.' Simply enjoy the short devotionals as they are. After all, a slacker mom created them—she surely could not hold *you* to higher standards!

I sincerely hope that you will try to use the Spirit as a guide for your family as you follow the devotionals. Some nights may be a little frenetic with homework, housework, and a late dinner all running together. Other evenings may have a far more special tone to them. You may begin by answering simple questions about the birth of Jesus, and find you've born your testimony, just as simply. You may feel prompted to talk to your children about something else entirely, and I hope you'll follow that prompting.

Thank you for blessing *my* family by ordering the PDF version of 24 Days of Mormon Christmas. My heart is full of gratitude and love for all of you!

## Directions for Use

**If you have been given a physical copy (i.e., printed) of this download:**

**You will need internet access for this program.** In most instances, you will need a way to show your family the recommended video during your devotional.

If you are viewing this program in a pre-printed format, you will need to print the pages listed below. Some pages are talks from general authorities and it is recommended you print these for easy reading. It is recommended you print one coloring page for each person in your family.

For your convenience, I have created 'bit.ly' links, which are internet links that are shortened for ease of typing into your web browser. For instance,

**<http://confessionsofaslackermom.com/24-days-of-mormon-christmas/>** can be shortened: **<http://bit.ly/Yhm5fj>**, which is far easier to type out. I recommend, especially if your internet device or service is slow, to load the links necessary before you gather your family. This way you won't lose their interest while you're waiting for a video to load fully.

### **Web/Tablet Users:**

You will need to print several pages. Links are provided below for each day you need to print. If you are viewing 24 Days of Mormon Christmas in PDF format, there are four pages to print. In most cases, you will need to print one per person.

**Note for all:** Songs are from the LDS Hymnal, unless noted by CSB, the Children's Song Book.
